The objective of the event is to present GALATEA results and to give to the supported SMEs the possibility to present their projects, meet financiers, end-users or any other potential partner.

On the first day (7th March), at "[La Coque](#)" conference centre in Marseille, there will be conferences, B2B meetings and three round tables presenting the challenges and results of projects in the different GALATEA domains: [smart port](#) ; [smart ship](#) and [smart shipyard](#) ; and [maritime surveillance](#).

Among the speakers will be Virginie Perron from EISMEA (European Innovation Council and SME Agency), Vincent Guiheneuc from Mer Angels, Olivier Raybaud from SWEN Capital partners, Stéphane Reiche from Aix-Marseille Université and CISAM, Elsa Urquizar from the French ministry for higher education and research, Renata Peloso from PWC, Julia Coppola from Bilbao Portand representants from Port of Constanta and Entente Valabre.

Then, in the evening a networking cocktail will take place at [Mx Experience](#), aiming to give more opportunities to attendees to meet and exchange.

On the second day (8th March), from 9:45 am to 12 pm, a visit to the [Grand Port Maritime de Marseille](#) (GPMM) is planned. Attendees will have the chance to visit GPMM Infrastructures In order to better understand what are the port needs and next challenges. GPMM will comment this visit and gives details on new Innovations that has been realised and that are planned for the future.
